

Teen Idol Sponsor Information

TEEN IDOL is a 501(C)3 nonprofit agency with a Tax ID 82-1010873. As a charity, we depend on the generosity of those that donate funding and inkind items to permit us to expand our operations, promote professionalism and provide students with meaningful and valued programming.

This form is to request a meeting or to commit to donating a product, service or cash sponsorship. No staff or volunteers receive payment so financial donations go 100% to helping make a life changing experience for our teens.

Thank you in advance for your commitment to helping the Teen Idol program. Thousands of hours by hundreds of volunteers are invested every year to help students that may never otherwise get the same opportunity. Our public speaking and confidence training is rarely taught in school and we think it's a shame that talented teens go unnoticed and undeveloped due to simply not having a chance to shine and appreciate your commitment in helping them.
